

HOLY CROSS SCHOOL

PARENT COUNCIL

CHRISTMAS FUNDRAISER

The Holy Cross School Parent Council is pleased to present our 2021 Christmas Fundraiser. Please join us to do some Christmas shopping from the comfort of your own home via SchoolCash Online!

Although this year may look a little different again, the need to raise funds for our students continues. Fundraising helps to alleviate some of the financial burden for families, allowing more students to participate in school activities.

Funds raised will go towards supporting school programs, purchasing library books and classroom literacy resources, and offsetting costs for things like transportation, field trips, and special events.

We are thrilled to have partnered with a LOCAL business, the Seventh Coffee Company, which is operated as a social enterprise. The owners do their best to give both time, and money back to the community, and supporting causes that are close to their hearts.

Seventh Coffee Company produces small-batch, handcrafted coffee, and have offered three unique blends for Holy Cross School!

Seventh Coffee Company is named in honour of the owner's son, Jack, who is missing part of his seventh chromosome, a genetic disorder called Williams Syndrome.
