

# Holy Cross School

---

Monday, November 27, 2023

Dear Families,

As the joyous holiday season draws near, we are thrilled to share the exciting plans we have in store to bring the spirit of Christmas to our wonderful Holy Cross School community! This year, we are delighted to present our much-anticipated annual "12 Days of Christmas" theme days, starting from Thursday, December 7th and culminating in festive cheer on Friday, December 22nd.

We warmly invite both students and staff to partake in the merriment by dressing up in the day's designated theme. While participation is entirely optional, we believe that the shared enthusiasm will contribute to a joyous and unified celebration.

For your convenience, we have attached a calendar outlining the schedule of the themed days. We encourage you to follow along and join in the festive fun!

In addition to our theme days, we have planned a series of extra special events to add an extra layer of excitement to this festive season:

- **"Name that Christmas Song"**: Students can tune in each day to our morning announcements for a delightful challenge of recognizing beloved Christmas tunes.
- **School Christmas Dance**: Students will join us for a day of festive rhythms and joyful dancing as we come together to celebrate the spirit of Christmas.

We extend our heartfelt gratitude in advance for your cooperation and enthusiastic participation. We are eager to create lasting memories and a truly enjoyable 12 days for everyone in our Holy Cross School community.

Wishing you all a festive holiday season!

Respectfully yours,

Mr. Assettino, Ms. Grice, Mr. Blashkiw
